Net Content: 105.82 fl. oz.

This package treats: 2,500 lb on seed
or 12.5 acres in furrow

**America's
Best
Inoculant**®
The high yield leader.

**Superior Genetics for a Superior Yield –
the Highest Level of Nitrogen Production
And Yield from Your Soybean Field.**

SHAKE WELL BEFORE USING

APPLICATION RATE ON SEED:
2.5 fl.oz / 60 lbs. or 2.1 fl. oz. / 50 lbs.

- Open package only when ready to use.
- For current "planting window" recommendations, and the latest seed treatment compatibility information, please contact your ABM representative, go to www.americasbestinoculant.com or call ABM at 877-617-2461.
- Use before expiration date.

ADVERSE CONDITIONS:

High rates of humus inoculant should be used in conjunction with America's Best Liquid inoculant when legumes are planted under adverse growing conditions (dry, hot, etc.) or on land that has never grown the specific legume.

STORAGE INSTRUCTIONS:

Protect your America's Best Soybean inoculant from excessive heat. Store in a cool place and out of direct sunlight.

DIRECTIONS FOR BATCH APPLICATION:

Open box and remove cardboard insert and measuring cup. Pull bag cap through circular opening and close lid. Measure the

appropriate amount of America's Best Inoculant for the amount of seed being inoculated, apply uniformly over the top of the seed and stir until all seeds are coated. For optimal performance of America's Best Inoculant, plant seed immediately.

DIRECTIONS FOR BULK AND CONTINUOUS APPLICATION:

Remove bag from box. Attach applicator cap and tubing. Hang bag from loop on bag. For complete instructions see sheet inside of box.

DIRECTIONS FOR IN-FURROW USE:

America's Best Inoculant must be emptied into spray tanks that have been cleaned and are free from all chemical residue. Dilute inoculant in water. Recommended rate of water per acre is 10 to 20 gallons. Regardless of planting row width, the 105.82 oz. bladder of America's Best Inoculant treats 12.5 acres.

CAUTION!

America's Best Inoculant is a living legume bacteria organism. It is important to protect inoculated seed from excessive heat and rapid drying. Do not over apply inoculant to seed.

LIMITED WARRANTY:

Advanced Biological Marketing guarantees the cultures in this package of America's Best Inoculant will inoculate the quantity and kind of seed specified when:

- (1) Product is used prior to expiration date
- (2) Product is stored properly
- (3) Product is used under favorable soil and weather conditions
- (4) Product is used in accordance with directions for use noted on this package

All field performance complaints must be brought to the attention of Advanced Biological Marketing within seventy (70) days of planting.
